OVERVIEW

The perfect tool for lifting, stacking, or moving kegs. Heavy duty construction and lifting power. Works with standard keg sizes utilizing the adjustable bracket. Avoid injuries associated with lifting kegs. High lift capability allows easy lifting to second shelf, up to 50" tall. Ergonomic handle and all swivel casters allows ease of maneuverability.

Pedal locks on rear wheels allow locking unit in place. Electric lifter features remote lifting controls to easily control load from the side or rear, and is battery powered with built-in 120V plug for easy recharging. Manual lifter features an easy to use crank. Safe Load lock feature prevents load from dropping when you let go of handle.
