Choice Equipment Company, Inc. warrants to the original purchaser that all of its goods and services sold shall be free of defect in material or workmanship during the twenty-four (24) months, twelve (12) months on wheels and casters, from the date of shipment or performance, provided the product has been used within the following restrictions:

1. The product was used for its intended purpose.
2. The product was properly handled, stored, installed, maintained and operated.
3. The product was not loaded beyond the product's load capacity.
4. The product is cleaned and maintained with a cleansing agent generally accepted by the industry and the instructions of the specific agent are followed.
5. Any abuse or misuse of, changes to, alteration of, or improper maintenance of original equipment shall void this warranty in its entirety.

If any product provided by Choice Equipment Company, Inc. shows defect in material or workmanship, CEC will, at its option, repair or replace the defective product if (1) CEC has received notice of such defects within the specified warranty period, and (2) upon CEC's request, the defective items is returned at CEC's cost to a location designated by CEC.
